

Aspiriant Wins Private Asset Management's 2022 Diversity Equity and Inclusion Initiative of the Year

Los Angeles, CA (March 11, 2022) – Aspiriant, a leading independent wealth management firm, today announced that it has been awarded the 2022 Diversity, Equity and Inclusion initiative of the year award by Private Asset Management. The firm received recognition for efforts in promoting and enabling diversity, equity, and inclusion internally and in the industry through Aspiriant’s Diversity, Inclusion and Belonging (DIB) initiative.

The Aspiriant DIB initiative seeks to maintain and develop a community where employees feel like they belong, can be themselves, learn, and thrive. These qualities are necessary for an inspiring future, and a diverse and inclusive culture is essential to providing the best for clients and employees.

“Our Diversity, Inclusion and Belonging initiative is an ongoing strategy, and this award further motivates the Committee and our firm to strengthen our program and find creative ways to keep our vision statement top of mind.” said Summer Hammons, Chief People Officer at Aspiriant.

Private Asset Management highlighted the following milestones that differentiated Aspiriant from other companies, including but not limited to: forming a DIB initiative and committee, hiring a Chief People Officer to foster Aspiriant employees, creating the [Aspiriant Impact Scholarship](#) to promote diversity in the wealth management industry and increasing diversity among the senior leadership team.

“We have always made diversity, equity, and inclusion a priority within our business, but we have solidified and formalized our approach and focus over the past few years and are grateful to receive recognition for our efforts,” said Rob Francais, Aspiriant CEO. “We are eager to continue to develop new initiatives to further improve in this area, as we strongly believe that a variety of perspectives is necessary for our firm’s growth, innovation, and prosperity.”
